

GRESTREAM

The *true imitation*
of nature:
more *real* than *reality*.

- **Versatility:** a single solution for all typologies, for all sizes (up to 1200x2400 mm) and thicknesses (min 4 mm - max 30 mm).
- The **great potential** of *decoration and texturing* allow the **true imitation of nature**.
- **Drastic reduction in the costs** for decoration and glazing.
