G R O U P

Our union is the key to your future.

The experience of two major companies, **Barbieri & Tarozzi** and **SITI**, has merged to form a **new Business Strategy**: a staff of 800 specialists at your service all over the world.

For you, we will create:

- advanced *innovative technological* solutions;
- *complete, flexible* production *lines* for ceramic tiles and sanitary-ware;
- *products that can be integrated* with existing systems;
- *absolute* product *quality* at the right price;
- *a first-rate* business, engineering and technical assistance *organization*, wherever you are.

The **power**
of a new
group.
